ADMINISTRATIVE GUIDANCE

1. GENERAL OVERVIEW

a) Scope:

The HMEC-Advanced will be delivered by the EOD COE in cooperation with partnering institution – US Department of Justice Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF).

The course includes instructions and training on HME characteristics and hazards, recognition of a wide variety of HME precursors, as well as HME manufacturing facilities, HME scene safety and security. The students get an opportunity to utilize a unique hands-on approach to learning that combines classroom instruction, improvised laboratory, range demonstrations, and site exploitation-based training.

b) Aim:

The HME Advanced Course introduces responding personnel to the precursors used by criminals and terrorists in the manufacturing process of homemade explosives, along with the synthesized explosive mixtures. Students learn to identify the hazards of mixed or partially mixed precursor chemicals, identify unknown materials and related hazards, process a scene for evidentiary purposes and safely remove and dispose of these hazards.

c) Target Audience:

Applicants should preferably be EOD Qualified personnel, WTI or SOF specialists from NATO/IP countries.

Language skills: IAW STANAG 6001, an adequate understanding of written and spoken English is demanded from the course attendees. SLP 2222 is recommended as the minimum level of proficiency.

d) Learning Objectives:

1. Explain properties of HME and their precursors.
2. Demonstrate HME manufacturing Processes and equipment.
3. Operate equipment supporting HME scene processing.
4. Process clandestine explosives laboratory.

Students should be aware that the **HMEC-A is tightly scheduled (extremely busy) course** that also requires evening and/or night classes/training.

e) Security Classification:

The overall security classification of the course is NATO UNCLASSIFIED.

f) Training Area:

Whole course will be organized and delivered in the **Military Training Area (MTA) Lest, Slovakia, not in the city of Trencin, where the EOD COE is located!**

2. EXECUTION

Attendees are expected to arrive to the city of Zvolen no later than **Monday 5 July 2021, 07:00 AM**.

The assembly point for transportation is in front of the hotel FRANKO, Ludovita Stura (street) 520/11, Zvolen. The EOD COE bus will take course attendees to MTA Lest and back daily.

a) Registration:

Nations applying for seats on this course should follow the instructions listed below:

1. Contact the EOD COE Point of Contact (Admin Officer) by official e-mail, sending an **electronic version of the Registration Form**, which is available at the following link: <https://www.eodcoe.org/en/education-training/education-individual-training-eampt-activities-2021/>
The registration deadline is **23 April 2021. Registration Forms submitted after the deadline will not be accepted.**
